# Your gifts, great and small, working together for **BIG IMPACT**

Match Day is a big opportunity to rally behind organizations that do the critical work of enriching Reno County.

## Here's how it works:

- Donate anytime online from midnight until 11:59 p.m. May 5 at [ihearthutch.org](http://ihearthutch.org). Checks made payable to Hutchinson Community Foundation received after April 6 will be accepted through May 6. Please designate on the check that the gift is for Match Day. Checks received before May 5 will be held for deposit on Match Day.
- The \$60,000 match pool will be divided among organizations in proportion to the total amount raised. We can earn up to 20 percent of the pool (\$12,000) if contributions that day equal 20 percent or more of the total amount raised.
- As extra incentive to give, organizations receiving donations before 7 p.m. May 5 will be entered in a drawing to receive one of 12 \$100 prize grants. We can also earn prize grants if we raise the most money or have the most individual donors.
- Donations are tax deductible and can be divided among multiple organizations.

Please mark your calendar and get your checkbook ready. Together we can make the most of this special opportunity. Visit [iHeartHutch.org](http://iHeartHutch.org) for details.
